

## Winter Reunions

*There's much to love about a summer family gathering. But, don't dismiss a cool-weather option just yet. You can have just as much fun, plus reap the benefits of off-season rates and incredibly beautiful and peaceful surroundings. Let's see what's possible with a winter reunion on the shores of Green Lake.*

### WINTER RECREATION

Organize a family outing on snowshoes, cross country skis, ice skates or sleds, or take to the frozen lake for ice fishing in a cozy shanty. There's no better end to a Wisconsin winter day than at your private campfire with plenty of s'mores. Between our recreation team and Green Lake area partners, we'll help you plan a winter experience that fits your taste and budget.

### HOLIDAY ACTIVITIES

Join us Saturday, Dec. 12 for Experience the Magic of Christmas, or use the event's schedule as inspiration for your own holiday-themed activities. Your options include cookie decorating, ornament making, horse-drawn carriage rides and more. The resort's decorations, including a 5-foot gingerbread house, are sure to get the whole family in the Christmas spirit.

### BREAK TIME

While the kids revel in the game room, indoor pool or at a Wii or beauty party, the adults can find solace at Evensong Spa. Renew your spirit in the waterfall whirlpool, eucalyptus steam room, meditation labyrinth and luxury relaxation room with floor-to-ceiling views of Tuscumbia Country Club. Ask us about group pricing on services including massage, facials, hair and nails.
